Full Stack Developer

I am a highly skilled web developer with over 1 year of experience building websites that are fast, responsive and elegant. I possess a great hold over languages like **TypeScript** and **Node.js** and frameworks like **Next.js** and **Express**. I have a niche for **TailwindCSS** and creating impressive UI with great attention to detail.

Technical Skills

- **Programming Languages:** JavaScript, TypeScript, C++, C, Python, Solidity
